RECOGNISED EXPORT HOUSE BY GOVT. OF INDIA

DEDICATED TO FOUNDER

Dr. PADAM KUMAR JAIN  
(1931-2000)

**WE WISH TO PLACE ON RECORD our reverence to Dr. Padam Kumar Jain**

who founded, nurtured, feathered and led **Mangla Metal Industries** to add several new products, overseas offices and to fructify in a group of industries with an honour of achieving the status of an **Export House recognised by the Government of India**. His instinct for total satisfaction of the customers is now our **“inheritance and motif”**. The versatile wit and wisdom, with which he worked, would heretofore enlighten our path of growth and act as our unmatched guide.

---

We have been in the service of our clients for the last about two decades and well understand its values. As such, would make every possible effort to render best of the services to our clients and shall see that they are satisfied in all respects. Although, we are already an **ISO-9002** company, maintaining all the required quality standards and equipped to produce new products as per needs of our buyers, we believe in the fact, “There is no end to perfection”. Therefore, we are endeavouring and heading towards our goal for certification as an **ISO-9000** company too.

We must not fail to register our thanks for each one of our customers, who posed their confidence in us and extended their co-operation. Surely - with friendly hands of our clientele, we shall be achieving and sharing with them what the others have not so far.

**MANGLA METAL INDUSTRIES**
